

## The Value of Niche Freelancing (You're a Full-Time Writer, Now What? Book 4)

If your freelance business isn't turning out the kind of profit you want, it could be because you aren't specializing in one industry. This short, concise guide will help you understanding the true power of focusing on a specialized writing niche. You'll also discover how you can select your specialty and how to create a portfolio that communicates your expertise. This short, to-the-point guide is just 2700 words, roughly 11 pages.
