

Paris in Style: A guide to the city's fashion, design and style destinations

Having written three bestselling books about Paris, journalist, author and photographer Janelle McCulloch thought she knew most of the best places in which to stay, wander and explore. But the more time she spent in Paris, the more she realised how much there was still to discover. Paris in Style reveals this city's most surprising and fascinating fashion, design and style destinations. It is the ultimate insiders guide for travellers seeking style, creative inspiration and unforgettable experiences.
