

# DIAGNOSIS: AUTISM ~ TEACH THE CHILD TO READ And MORE With Entertaining Games and Activities ~ PLUS Starting-Out Stories for the Beginning Reader ~ BOOK ... ~ An Easy and Entertaining Program 1)

Autistic children may gain satisfying rewards from an individual program of enriching and entertaining activities that boost academic skills. This book describes how meaningful play and games can be used as the basis for learning to read, write, and to understand telling time and early math concepts. A collection of animal-themed beginning-to-read stories is included.
