

## Trip Checklist Journal (Small \*\*6 x 9\*\* Checklist Style Travel Journal) (Volume 2)

This small 6 x 9 journal serves as a tool to help you prepare for upcoming trips and make lists about what to do when you get there. You can check things off the list as you go on your adventures and write about joys and challenges during your vacation. This journal is very practical for people who like to make lists and only do minimal writing. The Trip Checklist Journal is more compact when compared to other journals. Feel free to browse through our listings to find a travel journal that meets your needs. We offer several types of journals. PLEASE Click on the Look Inside feature to make sure the book is right for you. We want you to be happy with your purchase. :)Right now we make these journals with high-quality paperback soft, matte covers. We offer this same journal with several different cover designs. Feel free to choose one that fits your style preferences.
