2006 Country Profile and Guide:
 **RUSSIA**
NATIONAL TRAVEL GUIDEBOOK AND HANDBOOK
U.S. Government Information: DOD, State Dept. White House, Cabinet Departments
BONUS World Data: CIA Factbook, Regional Reports, Country Studies
Two CD-ROM Set

Completely updated and revised for this new edition, our unique electronic book on two CD-ROMs has an amazing collection of the finest federal documents and resources about Russia, providing encyclopedic coverage of all aspects of the country. This disc set provides a truly fantastic reference source, with nearly one hundred thousand pages reproduced in Adobe Acrobat format! There is complete coverage of newsworthy material about Russia, including Chechnya, the Beslan School terror tragedy, BISNIS (Business Information Service for the Newly Independent States), Chernobyl and the Ukraine, and much more. This incredible and comprehensive series on the countries of the world contains material from the State Department, Department of Defense, White House, and cabinet agencies including Agriculture, Energy, and the U.S. Citizenship and Immigration Services. There is complete information about geography, people, government, the economy, communications, transportation, military, and transnational issues. BISNIS Business Information Service for the Newly Independent States - is the U.S. Governments primary market information center for U. S. companies exploring export and investment opportunities in Russia and Eurasia. BISNIS provides U.S. companies with the latest market reports and tips on developments, export and investment leads, and strategies for doing business in Russia and Eurasia. Since opening in 1992, BISNIS has facilitated more than \$4.0 billion worth of U.S. exports and overseas investments. This incredible two CD-ROM set is packed with over 93,000 pages reproduced using Adobe Acrobat PDF software - allowing direct viewing on Windows and Macintosh systems. The Acrobat cataloging technology adds enormous value and uncommon functionality to this impressive collection of government documents and

material. Our news and educational discs are privately compiled collections of official public domain U.S. government files and documents - they are not produced by the federal government. They are designed to provide a convenient user-friendly reference work, utilizing the benefits of the Adobe Acrobat format to uniformly present thousands of pages that can be rapidly reviewed, searched by finding specific words, or printed without untold hours of tedious research and downloading. Vast archives of important public domain government information that might otherwise remain inaccessible are available for instant review no matter where you are. This book-on-a-disc format makes a great reference work and educational tool. There is no other reference that is as fast, convenient, comprehensive, thoroughly researched, and portable - everything you need to know, from the federal sources you trust.
