

Knack Dorm Living: Get The Room--And The Experience--You Want At College (Knack: Make It Easy)

When high school students think of college life, images of parties and new people and late-night pizza instantly come to mind. Only upon moving in does a freshman realize the buzz-killing downside to the blissful freedom: a 12 x 12 dorm room often shared with a stranger. With Knack Dorm Living, Casey Lewis herself a college senior at the University of Missouri provides the guide she searched for, in vain, in her freshman year. She offers invaluable tips on what to pack and what to buy, what to expect, decorating, clothes, and organizing time and money. This is an ideal high school graduation gift for high school seniors both girls and guys set to move away from home.
