

# How to Start an After-School Gardening Club: Lesson Plans & Fun Activities to Teach Children the Importance of Gardening

Looking to start a school garden or improve upon an existing program? This is the guide for you! We have created a comprehensive guide to implementing a school gardening club including detailed lesson plans, planting guides, fun activities and delicious garden-based recipes. This book is an excellent tool to help guide you through the often overwhelming process of designing and facilitating a successful gardening club. We've tried and tested every activity, recipe and lesson plan in this guide and can say with confidence: this guide is amazing! It works - and we know it works. Kids love our activities and our evaluations have shown that this program encourages children to eat more fruits & veggies! Lets dig in!
