

Last Man Standing: The Chi-Lites Featuring the Legendary Marshall Thompson

The Chi-Lites were instrumental in changing the very foundation of the music industry. With their number one hits Oh Girl and Have You Seen Her, Pop music artists and producers recognized the importance of the deep-seated Doo-Wop roots and angelic harmonies that lifted the Chi-Lites music to new levels. Marshall Thompson, given the moniker Godfather of Pop, shares a story of poverty and wealth, the struggle for fame, and much more. In the 1960s and 70s the music industry was controlled by organized crime, find out how they managed to survive and thrive in such turbulent times. Where does the group name Chi-Lites derive from? How did the deaths of fellow group members Constance Connie Thompson, Creadel Red Jones, and Frank Reed. International Best-Selling Author Dane Ladwig, sets the stage for a riveting account of an iconic vocal groups genesis to stardom and their pitfalls. This is sure to make you reconsider fame and fortune and the spotlight of being center stage and producing million-dollar recording deals. A historic gem and a musically intriguing look at the Chi-Lites through their driven leader, Marshall Thompsons, perspective - a legendary perspective!
