

## Downtown New York & The Financial District (DinksNY Book 1)

The Financial District and Lower Manhattan issue of Dinks NY details attractions such as the 911 Memorial, the World Trade Center, the Statue of Liberty, Wall Street, South Street Seaport, the Fraunces Tavern, the Museum of the American Indian, the Skyscraper Museum, the Museum of American Finance, the Anne Frank House, the Irish Hunger Memorial, Battery Park and the Staten Island ferry. Also covered are classic New York restaurants such as Delmonicos, great places to eat with a view of the Statue of Liberty or the Brooklyn Bridge, and many of the other most popular tourist destinations in this vibrant neighborhood.

Dinks NY has never been about listing every single restaurant, shop and attraction. We know your time in New York City is limited and valuable- we cut through the clutter to give you ONLY the most worthwhile attractions. This Downtown New York guide provides links, maps, contact info, directions and hours of operation for scores of destinations. Included are extensive coverage of restaurants and food options, shopping, relaxation and leisure, sightseeing and the unique and fascinating places that make New York stand head and shoulders above any other vacation destination. We tell you why each attraction is worthwhile, impart a bit of history or local flavor, and give you the info you need to get there. Where is Stone Street? What is Battery Park? Why is the Fraunces Tavern so important? Has it really been serving beer since the 1700s? Where do Wall Street fat cats dine after a successful day of trading? Where are the public restrooms in Lower Manhattan? Where is that tiny Skyscraper Museum with the tiny, perfect scale model of Manhattan? We bet youve never been to the Irish Hunger Memorial- possibly one of the most beautiful and serene places in downtown Manhattan! We give you all of this info and MUCH more. Local tour
