

RHODE ISLAND TEST PREP Common Core Quiz Book PARCC Mathematics Grade 3: Revision and Preparation for the PARCC Assessments

Prepares students for the more advanced Common Core standards and the PARCC assessments! This quiz book covers every math skill that students are expected to master. Each quiz focuses on one specific skill, with questions progressing from simple to more complex. Students will develop a thorough understanding of each skill, while also gaining experience with all the types of tasks found on the PARCC assessments. The quizzes in this book can be easily integrated into student learning for effective revision and test preparation.

Complete Coverage of the Common Core State Standards - Covers every skill listed in the Common Core State Standards - Includes sections for operations and algebraic thinking, number and operations, fractions, measurement, data, and geometry - Focused quizzes cover each specific skill individually - Quizzes include a range of tasks to promote thorough understanding - Easily integrates with student learning throughout the year Prepares Students for the PARCC Assessments - Covers all the skills assessed on the PARCC tests - Provides practice for selected response, constructed response, and computer-based questions - Includes more advanced questions to reflect more rigorous PARCC tasks - Prepares students for questions that involve written explanations, showing work, and justifying answers - Guided tasks teach students what is expected in answers

Key Benefits - Develops a thorough understanding by focusing on one skill at a time - Reduces test anxiety by allowing ongoing test practice - Individual quizzes allow gaps in knowledge to be targeted - Ensures students are comfortable with a range of question formats - Prepares students for all the question types found on the PARCC tests - Provides revision and test practice as the student learns
