

TURKEY Part 1 (AVE Wander the World Tours)

Come take a computer tour with us through Turkey, the Land of the Crescent Moon, where there is so much to see the tour is in two parts. Well stay in real hotels and eat at real restaurants. In Part I well, see the famous sights of Istanbul, the worlds 6th largest city of mosques and palaces and museums. From Istanbul we go west to the coast, to Canakkale to visit the battleground of Gallipoli and the site of ancient Troy, and then we head for Konya to visit the heartland of Turkey with its carpets, its ancient ruins and its whirling dervishes. NOTE: Best read in landscape view. Part 2 of our tour takes us to see the unique landscape of Cappadocia and its caves where ancient Christians lived in underground cities. From there we visit the capitol, Ankara, then take a ski break in Erzurum, then head for the Turquoise coast to see ancient ruins of lost civilizations, cruise the turquoise waters on a Turkish yacht to our last stop, Bodrum, home of an impressive museum of underwater archaeology and close enough for us fo see a camel wrestling event. It is an amazing country of ancient history thousands of years old, yet the most modern of the Moslem countries where women have rights and dress as they please. NOTE: Best read in landscape view.
