

## Thailand,too easy

His first trip overseas, a single man wanting to experience another world, to live like a king on a poor mans income. Knowing little about the women of Pattaya and Patong; he becomes involved with a hardworking, regular girl with an Angelina Jolie smile. And what started as a simple hedonistic holiday, turns into a new love and business opportunity that could change his life - Till he returns to face his peers, and learns of the well worn track he is likely to be on. This is a dark humored, diary style account of a events that takes you from the slums then clubs of Bangkok to the street nightlife of Pattaya and Patong; a roller coaster rite of passage from naive to Thai wise.
