

The HUNT Boston (The Hunt Guides)

Instead of indiscriminately featuring everything and the kitchen sink, The HUNT team has donned our curatorial colored glasses and carefully selected 100 or so unique, authentic local businesses that range from eye-popping and brand spankin new to deeply patinaed and WAY off the beaten path, funky and unexpected to chic and shiny. Over the last decade, our guides have become the go-to source for a worldwide community of locals and travelers who seek out genuine, intriguing independent businesses.
