

NYC Shopping Unfolds (Unfolds/Pop-Up Series)

VanDams patented NYC Top City Shops UNFOLDS maps all top attractions, including hotels, major architecture, parks, transit systems, and most importantly, all of the best shops - all at an immensely legible super-scale complete with 3D building illustrations. Each map unfolds to 18 times times its original size, then refolds automatically when the covers are closed. Eminently clear information design allows users to read the map from three feet away and has earned VanDam Maps a place in the MoMA Collection. NYC Top City Shops UNFOLDS shows you 500 of the the best stores and shops in New York. From haute couture to little pet stores, from music to gourmet with antiques and erotica in between, its all here on stunning details of Downtown, Midtown, and Uptown. Edition also includes an MTA Subway map. Simplicity reigns supreme in information design to make complex cities clear and understandable. Our typography creates character and reveals the true bones of the city. VanDam uses a letter grid to identify locations on maps - no confusing and cluttering K-28s or V-34s - its just the city from A-Z. Our covers map the icons of each city and turn them into collectible graphic art. Size open: 8.5 x 11 per section; 3.25 x 7 closed to snugly fit into a shirt pocket or purse. Gain instant NYC ShopSmarts and a sexy souvenir to boot!
